

Dear Parents,

This is the last week of our school year! Who could have guessed that it would finish up this way. I want to say that I'm very proud of each and every one of our students, and of course their parents, for their resilience during some difficult times. Myself and Ann were so impressed with the work you all did at home during the lockdown, and it was great to keep updated with your news.

For the last week, can you check your child's work books for pages they might have missed, and send in the work to me on Dojo.

Joyful June Actions for the week:

This is the week's work for **Monday 15th to Friday 19th June.**
