

Gavan, Aaron, Michael, Kyle, Amin & Maria- Well guys, we have made it through to the final week of school. What an exceptional final term it has been. One that none of us will forget for the rest of our lives. This will be my last communication with you until September and the last pieces of work.

Please take care of yourselves over the Summer. It can be difficult when the focus on work has gone. Try not to be on your technology the whole time and remember to get out and be active.

I will be so looking forward to seeing you all at the end of August or beginning of September. We will have to have a very large piece of cake and a cup of tea to celebrate!!

Be Safe, Be Good and Be Kind!

Ms. O'Neill

Parents – Thank you for your continued support over these long and difficult weeks. I have kept the work fun this week, so it is not divided by subject as I normally do. Lots of activities to keep the students active and some that they can do over the course of the Summer. Wishing you all a safe and healthy Summer break and I will look forward to working with you all again in the future.
