

Ms Mc Garraghy's Class – school closure home work schedule

Hi everyone,

This is our last week of work as we officially close for the summer this Friday coming. The work I am suggesting here are small, fun tasks to finish up the year we had together. I hope everyone has managed to get some small pieces of work done while we were closed.

Although it is summer, it is always good to keep doing a little bit of reading and writing for when we get back to school in September. I wish everyone a safe, happy summer.

Kind regards and please stay safe,

Ms Mc Garraghy, Tracey, Ciara, Laura and the rest of the Scoil Eoin Team.
