Each year the school requests all pupils to pay a school administration fee. For 2023/24 this fee is €120.

The school administration fee includes:

- All copies and stationery are provided by the school.
- The cost of photocopying.
- Practical subjects – the cost of all materials/ingredients for all practical subjects. This is at a huge cost to the school. We do not ask students to bring their own ingredients for Home Economics, even in exam years.
- Sports Activities – throughout the year students will take part in canoeing, kayaking, orienteering and cycling trips. The cost of these, including transport to matches, is included in the €120.
- Aladdin Administration System – this is our main touch point for all communications.

Fees can be paid through our online payment system on Aladdin or by cash/card on the first day of school.
